

<h1>AGENDA</h1>	
<b>Meeting Date and Time:</b>	Wednesday, April 6, 2017 10:AM
<b>Meeting Location:</b>	Conference Center A
<b>Meeting Facilitator:</b>	James Ann
<b>Type of Meeting:</b>	Achievement Committee
<h2 style="text-align: center;">Notes (Tags)</h2>	<h2 style="text-align: center;">Agenda Items</h2>
<p>Keith - priorities were developed in the fall. One of the recommendations from this group was to do some more specific work with our principals. Recommendations tied in with the use of data priority. Reviewed ERAS.</p>	<p>Welcome - James Ann : Debrief Achievement Focus - Keith</p>
<p>Continuous conversations across grade levels. Building relationships with staff, parents, students. Talked about identification of more students for higher level classes. (Dr. Dozier - USC)</p>	<p>Sharing the use of data - Rob</p>
<p>Shared logistics of planning the conference. Reference made to the technology conference a few years ago. Specific sessions for grade bands, but also giving the option to go across grade bands - topics that are general for all. To create cohesive drive, have the one person kick off for all - could be streaming. <b>Include the Goals for Golden era document.</b> Tag it as continuous improvement for all - sufficiently broad enough to have enough presentations. Address achievement but in a variety of ways. If stream, be watchful of time. Show connections to district priorities. Then, how do we keep the momentum of the conference - the focus or "theme" for the rest of the year. Title, Call for topics, pitch - critically important. Data up front. Key areas of topics that we want to attack - think tank, planning group. Be sure to include teachers in the conversation. Capture the best of both worlds with title. Include sharing the data sessions. Variety of sessions including DO, professors, etc. Involve Libby. When we leave the conference what do we want people to have? Call for proposals around the priorities. Title it so capture pride..... Also discussed waiting to fall of 2017, 2 or 3 year series, decide on factor that is most critical to address first, profile of SC graduate</p>	<p>Closing the Achievement Gap Conference (In October) Continuous Student Improvement Conference - Nancy (David)</p>
	<p>Benchmark Tests - Nancy (Jeff)</p> <p>Parent Priority (Parent University) - Katinia</p>
