

Principals and Administrators,

Richland Two is again sponsoring a Get on the Bus Tour for Winthrop Student Teachers to spend a day touring our district. The event will be held Wednesday February 8, 2017. Twenty- six students are registered to attend.

We have an exciting day planned for them including tours of R2i2, ELW and choice of RNE or WES, information sessions from content specialists, instructional coaches, novice teachers, and interviews.

During lunch we would like to have administrators on hand to interact with the students. (I will attach the certification areas.) You are invited to join us at ELW during lunch, please register so I can order the appropriate amount of food. Lunch will be Pizza and salad from Schiano's.

Participants will also have the opportunity to interview with the district. We will need assistance with these interviews.

The included google survey provides areas for signing up to participate in interviews, attending the Meet and Greet Lunch, or visiting at one of the schools with us. If you are interested in attending any of the events, please complete the survey in order that I can finalize counts and interview times. If you sign up to help with interviews, I will send you an email of where and when you are scheduled.
