

## Commitment to Recruiting and Retaining Teachers with National Board Certification

In the 2015-2016 fiscal year, a total of \$3,029,519 in salary and fringe was committed in General Fund Budget to funding a local supplement of \$5,000 for each of the District's National Board Certified Teachers. This supplement is above and beyond the state funded NBC supplement that teachers receive for this certification.

Each year the Board of Trustees demonstrates their renewed commitment to recruit and retain NBC teachers through continued funding of the local supplement for newly certified teachers.
