The Virtual Career Fair will be held Thursday, March 3. We are limited to five registered recruiters, so I had to modify and now ask for participants to come to Columbia Mall Conference Center C to most effectively use the recruiter slots.

The event takes place from 10:00 until 6:00 but we can have the booth open at our discretion. We may decide not to be open some of the hours. We will do on site training that day.

I am sharing a google sheet for sign up if you are available to help with this event. Please enter your name into time slot(s) that you can participate.

I apologize for the late notice, this activity is more challenging than I anticipated.
