

Dear Business Partners,

We are very excited to host our first Career Pathways Expo next Thursday, October 27th. We appreciate you taking the time to come and share your knowledge and expertise with our students and their families. We are certain that our students will gain valuable insight to careers as they begin piecing together their personal pathway.

Before you arrive we need to give you a few directions in order to help your day run smoothly. Our facility is located at 763 Fashion Drive, Columbia, 29223. We are directly across the street from the Belk store located in the Village of Sandhills. Please use the front entrance and find any available parking spot. You should enter the building through the front glass doors. There will be a registration table once you enter the building. At that point you will be given directions and your location for the event. Please let your school contact know if you need any assistance and someone will be happy to meet you outside.

The event is scheduled from 3:00 pm until 7:00 pm. We are asking everyone to be set-up and ready for our families no later than 2:45. You may arrive at the building anytime after 2:00.

Thanks again for your participation. We are extremely excited to offer this type of event for students and parents in Richland School District 2. It is only with your help that we can achieve our goal of helping students prepare for their future.

If we can answer any questions, or if you have specific needs, please let us know. We look forward to seeing you at R2i2.
