### About this report....

The School Improvement Council (SIC) at Dent Middle School has prepared the annual school report for you and the community. The report reviews the progress and growth made last year, reviews last year's test scores, and describes plans for improvement this year. Enclosed you will find an account of the progress we made toward accomplishing targeted goals in 2016-2017, as well as, the desired results for student learning that have been made a priority for this school year. If you have any questions about the information summarized here, please contact Mrs. Tamala M Ashford Principal, or Ms. Marianne Preudhomme, SIC Chair, at (803) 699-2750 ext. 72001

## School Highlights & Awards

As the oldest school in Richland School District Two, Dent Middle School has a long history of excellence, and we continue to pride ourselves on the success of our students and faculty. Our talented staff and students have received numerous awards and have been recognized repeatedly. Dent Middle was recognized as a National Certified Magnet School by Magnet Schools of America 2018. Fifty-two students were named Junior Scholars. Dent Middle won Gold Level School status in the National Math Club and the Champions of the Environment Award from the Department of Health and Environmental Control. We also were awarded the Richland County Conservation Grant for water testing supplies. Learning is personalized through the implementation of one-to-one technology, project-based learning, and focused professional development. Our teachers were active participants in personalized learning through focused professional development and the resources provided by the CCEL grant. Increased focus on numeracy, best practices, and professional collaborative learning communities improved instructional practices at Dent Middle School. Using MAP testing in the Fall, we followed student growth and determined strengths and weaknesses prior to state testing. All students and teachers engaged in goal setting, celebrating those who with met their goals or made gains toward those goals. Our continued partnership with our parents and community help to develop our future South Carolina graduates and world leaders. Our SIC, PTO, volunteering opportunities, and business partnerships continued to grow over the year, increasing parent and community involvement. We celebrate Earth Day with a "Beautify the Boulevard" event in which the entire community is invited for a service learning experience. We look forward to another rewarding school year focused on our goal of providing an environment where all students can achieve academic success and become ideal 21st century SC graduates.

## Goals for the Next School Year

### Student Achievement

Continue to be committed to:

providing a character and academic mentoring program aimed at encouraging students' success through partnerships with feeder elementary and high schools.

providing engaging and meaningful opportunities to prepare students for the 21st Century.

analyzing multiple sources of data to identify trends and areas of need in an effort to make data-driven decisions regarding instructional practices.

creating a rigorous environment that challenges every student and prepares them for high school.

utilizing a variety of strategies to support continuous improvement, to include Response to Intervention for students.

### School Climate

providing a personalized learning environment for students that provides opportunities to design, innovate, and collaborate.

expanding upon existing transition efforts for students and parents into Dent Middle School and into high school to include partnerships with feeder elementary schools, high schools, and Ft. Jackson schools.

providing enrichment opportunities through extra-curricular activities, athletics, service learning, experiential opportunities, and celebrations of student success.

### Teacher/Administrator Quality

focusing on providing meaningful and relevant professional development for all faculty/staff through our innovation and collaboration professional development series.

targeting professional development to ensure literacy skills are taught across all content areas.

### Parents/Community

expanding alliances with families and the community in an effort to build our job shadowing and career exploration opportunities.

Expanding the marketing plan and initiatives to engage parents and community at Dent Middle School.
